

Overview

Where does the game take place?

The game takes place in a galaxy that involves interstellar warfare between planetary systems.

What is the story?

The year is 2433 and the alien scourge is on its way to invade planet earth. The last fighter (Crimson Steel) in the human race's space fleet must navigate its way through an asteroid field, fight through the enemy and destroy the mothership in order to save all of mankind.

What is the main focus?

The player commands a spaceship flying through space. The player needs to avoid asteroids and destroying enemy spaceships. The player's ultimate goal is to rid the galaxy of the alien scourge without exploding.

How many characters/units/pieces does the player control?

Player can choose which ship they'd like to start with for the level. The player can collect various power-ups to increase the rate of fire, fire radius, and amount of damage. These power-up will visually change the appearance of the spaceship.

The player will face several unique bosses as they travel through space. These boss encounters will happen based on the ~~player's score~~ distance traveled.
